

ADOPT-A-BENCH

Would you like to adopt a bench in Carl Schurz Park? It's easy!

Bench plaques measure 2" x 5.5" and are made of stainless steel with black lettering. There is enough space for approximately 20 words of text. You can select an exact location, provided that there is no existing plaque in place.

Sample (shown at actual size)

**In Honor of Jane Doe
who loves to stroll in this Park.
The Jones Family**

Please print clearly, in the space below, the text for your bench plaque.
The sign company producing the plaque will determine text size and how words fall on each line.

Please make your check for \$2,500 per plaque payable to: **Carl Schurz Park Association** and send it to:
